We are excited to announce our latest innovation, the Compass™ Hand Hygiene Program! Compass is the first and only dispenser that actively guides each user to proper hand hygiene practices with each and every use.

The Compass dispenser features an LCD screen that walks through each step for proper handwashing 20 second timer or sanitizing 8 second timer as outlined by the World Health Organization.

Compass TF Hand Hygiene Dispensers

Two size dispensers & foam products: 750mL or 1250mL

4x750 = 5000 activations 2X1250 = 4200 activations
