

## TOPMOST CHEMICAL

### This Simple To Use Kit Is As Easy As:

- 1 Load the dry wiper roll into the re-usable bucket.
- 2 Pour your chosen cleaning solution over the roll of wipers.
- 3 Thread the first wipe through the slit and close.

### You're Ready To Go!

- Easily add a wet wipe to your existing cleaning regimen, the kit utilizes whatever cleaning solution you already use.\*
- Control how saturated the wipes become based on your cleaner and application.
- Reusable bucket has an airtight lid to keep your wipes saturated, avoid contamination and reduce staff exposure to the chemicals.
- Wipers easily absorb the cleaning solution while remaining durable to handle your daily cleaning needs.
- Each coreless roll pulls from the center – perfect for feeding wipers through the sanitizing kit bucket lid.
- Ideal for surface cleaning and sanitizing as well as removing soil, oil and grease.

\* Not recommended for bleach or alcohol-based solutions.
